

## WELCOME TO THE FRANKSTON LIFE SAVING CLUB

The board collective would like to thank you for your enquiry about becoming a member at the Frankston Life Saving Club. It's an exciting time to be a part of the club and there are many ways that members can be involved. Please follow this [link](#) to view some of the ways you can be a part of something great at Frankston. Volunteering is a great way to become part of a community and to build friendships which can last a lifetime. For our members in their teens, the club is a

healthy and active beach environment where you can develop your skills in lifesaving, make new friends and contribute to the safety of the community.

Read below to find out more or visit <https://sls.com.au/pathways/> and choose the age group relevant for you to see how you can be involved.

## **WORKING WITH CHILDREN CHECK (WWCC)**

Every adult member (aged 18 years and older) involved in the club must hold a Working With Children Check (WWCC). The WWCC holder **MUST** nominate Life Saving Victoria and Frankston Life Saving Club as an organisation you work or volunteer for. Our [Membership](#) page has links to all this information. If you do not require a WWCC for work, you need to apply for a voluntary one and this type of WWCC is free (Note: this requirement includes any person listed as exempt from WWCC, including teachers and police officers. Please read [LSV WWCC](#) policy).

If you already have a WWCC you can login to your WWCC account at the Justice Department, select 'Update personal details', scroll to the bottom of the page and under 'Organisations' select 'Add organisations'. Fill in the details for Life Saving Victoria first and then our club second.

[Organisation addresses.](#)

Memberships will not be processed until evidence of a WWCC is provided. (Photo of WWCC card or of application receipt which has the name of the applicant clearly visible). Membership category is probationary, and will remain so, until the club receives notification from the Justice Department that the member has nominated us as one of their organisations (see above).

*(NB: Schools also require parents to have WWCC if they help/volunteer in any way in the school. You can also nominate your child's school when applying for, or updating, your WWCC)*
